## DIGITAL QUILTING INSTRUCTION

### AUTOSKETCH

#### AUTOSKETCH 1

Learn the basics to start digitizing your own quilting patterns for any of the current machine quilting systems. Set up custom work templates, import drawings for tracing, learn the secrets of continuous designs. After we cover the basics, you will learn how to take a simple image and turn it into a block, or edge to edge design. A lap top with autosketch loaded is encouraged for class, but not required. Minimum 3 students, limited to 6.

9am– 2pm                      \$85 per person.

#### AUTOSKETCH 2

Delve further into creating and manipulating quilting designs to create unique coordinating patterns. Learn wreath and circular array techniques. Incorporate no sew lines and pauses to allow thread changes and jumps between patterns. Learn about registration lines and courtesy jumps. Leave with a set of coordinating patterns.

Minimum 3 students, limited to 6.

9am –12pm                      \$50 per person
